A Diary of Troublesome Adventures

## 다이어지

Yoo Ha Jin ♦ 8

Wow—  
So pretty.

She's  
like a  
doll—

You know  
you're acting  
a bit weird,  
right?

Hm...?

Ah!

Hm?

You said  
to dance  
gracefully and  
with pride!  
This ..

Do you  
remember what  
I promised  
Dominic-nim?

Ab-

Yes.

Towards men,  
it is an oath of  
obedience, and  
towards women,  
it becomes a  
proposal.

(MENUS  
CUENTUS  
AEVUN)  
With my  
everything...

CONSUMO  
CUNCTUS  
FORTUITO  
AMANS

I put forth  
all my pas-  
sion and  
soul...

POSSESS  
INFINITAS INFINITO  
AMOR TU) and  
promise you  
eternal love.

Wamwool?

Wait—

Please  
choose me

Not  
Dominic-nim,  
but me—

No.

I haven't  
even pro-  
pose to  
Saeju  
properly  
yet.

She told me  
she would  
give me an  
answer after  
I've grown  
more.

Wow...

...This  
proposal  
may have  
come from  
me,

But you  
can't honestly  
believe that  
to propose,  
there is still  
an order of  
status?

Hyung-

Hey!

Why is he  
being like  
this?

You  
could've  
waited a bit  
longer.

Why  
all of a  
sudden...

I changed  
my mind.

Opportuni-  
ties like this  
don't come  
often.

There are  
two men

but  
only one  
woman.

Please  
choose either  
Dominic-nim  
or myself.

Right here,  
right now.

What?

What are  
you saying?  
It's not like  
I'm picking  
between random  
objects.

There's  
not much  
difference.

You just  
have to  
choose which  
side you like  
more.

Such confusing  
relationships,

isn't it  
better to  
sort them  
out now?

One day...

Not now...  
I will tell  
Wise my true  
feelings  
when the  
timing's right

But not  
like this.

I don't  
want to  
hurt him  
like this.

To me, Wise is  
as precious as  
family.

So you can't  
choose—!

It doesn't  
really matter  
to me  
though.

AH?!

I CAN  
ALWAYS  
SNATCH YOU  
AWAY.

HYUNG!!

Let go of  
that hand,  
Yohan!

I can't believe my eyes.

What are you doing?

Hyung-nim-

This is very rude. Yohan, you have no right to do something like this.

Saejo is your master's fiancée.

I won't forgive any further disobedience

I didn't think you'd know, Yoell-nim.

The engagement  
between Saaju and  
Dommi-nin was  
decided by Our  
Highness.

There is no  
need for you to  
enforce this.

Until now,  
Saaju was  
brought into our  
fight for King-  
ship, to which  
she had no con-  
nection with.

Then, does  
she not have  
the right to  
pick the person  
she loves?

Is this  
what you're  
thinking too,  
Saaju?

Hyung  
is right.

Everything  
I've done to  
Saeju, are  
things I'm  
sorry for.

Wom...

You choose,  
Saeju.

I... want  
to know how  
you feel.

Whether  
I have a  
choice or  
not, I don't  
care.

But I  
promised to  
dance with  
Wen 100  
times first.

I've only  
danced  
with him  
once...

You're  
stronger  
than him.

So...

Without a  
doubt, you're an  
admirable girl.

But—

Where  
are you  
going?

I got  
rejected,  
so I'll be  
going.

That—  
that  
wasn't  
it!

Shin  
Yohan,  
wait!

Stop right  
there!

Are you  
really the  
Yohan that  
I know?

What  
were you  
thinking?

You normally  
wouldn't do such  
a thing as winning  
your master's  
fiancée.

I got  
tired...

Of the fight for  
Kingship, the  
Anarchia's duty,  
the future of the  
kingdom,

Of  
everything.

I thought that  
since I'm from  
here, anyway,  
it wouldn't be  
bad to live  
here.

Then  
I've  
thought  
wrongly  
of you.

I couldn't  
care less how  
you think.

I thought  
Yoell-nim had  
nothing to do  
with this.

When I covered  
up some of  
your actions,  
it was because  
I knew that  
everything was  
for Dominic.

But if you  
betray him,  
I have no further  
reasons to  
cover for you.

So  
what?

I'LL REMOVE  
YOU FROM  
THE POSITION  
OF ANARCHIA.

It looks  
like I was  
correct of  
one of my  
impressions  
of you.

To think  
that you  
were such  
a decisive  
person...

I hope that  
Dominic-  
nim learns  
that deci-  
siveness.

Soon...

I hope this  
ends soon.

NO MORE  
OF THIS—

Tada~

Have you  
seen this!

Everyone's  
calling you  
guys the doll  
couple.

*was it  
deep?*

SHUDDUP!

There are  
so many rumors  
saying that  
Yohan's a  
player.

Before,  
he was so  
serious and  
grim...

But nowadays,  
he feels more  
relaxed and  
smiles more.

What—

What is  
it, all of a  
sudden!

Sorry, I  
had some-  
thing to  
do.

I was  
wondering  
what you  
were look-  
ing at—

I wish I'd  
seen you  
guys.

Everyone  
thought  
it was so  
cool.

Hey, wait!  
Let me go!

Waa!

Haaa...

Hyung-  
nim-

Such a  
nice weather,  
Isn't it?

I'm sorry for  
yesterday.

For showing  
that side of  
myself...

I know you  
love Yohan,  
but how about  
being separated  
for a bit?

If you order  
him away for  
some minor  
reason...

Yohan is just a  
little confused. A  
lot has happened.  
If you guys were  
separated for  
a bit,

he'll  
return to  
normal.

If you think  
it's too hard,  
I can do it  
for you.

You're  
too nice—

..hyung-  
nim.

The reason  
why I haven't  
done any-  
thing isn't  
because I'm  
too nice.

The reason  
why I'm angry  
isn't because  
hyung wants  
Saeju.

Once,  
there was a  
time when I  
almost lost  
hyung.

It felt like  
my heart was  
being ripped  
out.

If only I  
didn't suspect  
hyung, some-  
thing like that  
wouldn't have  
happened.

I regretted  
it a hundred...  
a thousand  
times.

It was  
then that  
I made a  
resolution,

to always  
trust Yohan-  
hyung no  
matter what.

Dominic...

I'm okay if  
hyung really  
betrayed me.  
That's better  
than losing  
him a second  
time.

The only reason I'm angry is because he's trying to hide something.

If I think about it, he was a bit weird the other day.

Weird?

After coming back from the main palace, he was crying.

and was begging me to give up the King-ship.

That really doesn't seem like Yohan...

Then  
Dominic,

how about  
you visit the  
main palace?

If Yohan was  
weird after  
going to the  
main palace,  
perhaps you'll  
find the reason  
there!

Ah...!

Okay. I'll  
go visit  
right now!

Dominic!

You've  
grown!

I really  
want to  
see you...

...  
becoming  
the king

Dominic! It's been a while.

Rhode-hyung-nim, Isabel-nu-nim!

You two were together.

Hyung dislikes things that aren't fair and just.

There has to be a reason.

If he wanted Saeju, he wouldn't have acted like that.

Do you know anything?

That... we can only guess, so it's hard to tell you for sure.

But...

Back when Yoham came, he only went to visit Kayan.

Yeah! He said that he would come and greet us, but we didn't even catch a glimpse of him!

Something  
might have  
happened  
between him  
and Kayan...

Hm, he  
probably  
knows some-  
thing.

Do I have  
to go to  
Ka... yun-  
hyung-nim?!

Ah-  
Don't  
worry.

You guys  
have nothing  
to fight over

and he won't  
do anything  
to you.

Even  
wakes, if you  
want me to  
fight with you

Eh, don't  
tease him  
like that.
